47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I used to have ATT dsl, but with their price hikes and limits on usage I looked for other option. I found a local gem Sonic, who serviced me through the same ATT lines for less and no limit until they brought their own fiber line. Since then I have great speed , reliable and affordable internet whiteout the Giant ATT limiting me on usage with their mediocre speed. Im so happy that there is competition to the big giants! Please keep the market competitive ,give us options!!!
